LICENSE AGREEMENT

You are authorized to use these illustrations for personal use, for the purpose of planning, designing & prototyping effects pedals. These illustrations may not be resold, redistributed, or otherwise used for commercial purposes without obtaining prior written consent from the designer.

ACKNOWLEDGEMENTS

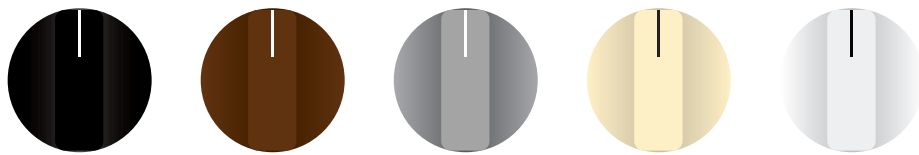

A special thank-you to the many fine members of the *Build Your Own Clone Forum* (<http://www.buildyourownclone.com/board/>), who have provided free & invaluable help to myself and countless others over the years! Additional thanks to Barry at guitarpcb.com and Forrest at CapsnSuch.com for their hard work and dedication to serving the DIY pedal building community. Happy Building!

- Eric Barao (aka PowerPopGuy)
