
Safety Information & Disclaimer

The devices and circuits described in this document use or generate potentially electric voltages and currents and may cause lethal electrical shocks or serious injury! If you are not a legal adult (21 years old) or experienced working with dangerously high voltages, do not attempt to follow any of the guidelines or procedures outlined in this documentation without supervision from an adult expert.

The information provided in this document is provided "as is" with no warranties offered for accuracy or reproducibility. Any individual, corporation, group or body of any description or legal entity attempting to use the information provided in this document, do so entirely at their own risk.

This document contains preliminary information.

Project:

SLO-100

Power Supply with DC heaters for V1 and V2

Filename: slo-100_psu_0_8	REV: 0.8
